**This is Jamal.**  
He is responsible for an afternoon of play and fun in the park.  
At Kwik-Hi-Market, we contribute to this moment by managing a reliable supply chain for fresh fruits and vegetables.

Our jobs lead to more fun and play that we imagine.

## Succeeding together

Experience our dynamic, global culture defined by an entrepreneurial mindset, strong customer focus, and a high-paced performance. Share your ideas, feel empowered to contribute and join a community built on genuine camaraderie.

### Empowered teams

Our teams are empowered to make changes to the way we work, using our agile, cross-functional teams. We are a flat organization where ideas can be shared and implemented quickly.

### WILL network

Our WILL network is a global community of leaders who share their expertise and support each other in their journey.

### Voice of the employee

We value every employee's voice and encourage them to speak up and share their ideas for improvement.
